

WEIHNACHTSMARKT December 5 and 6, 2020

Christmas markets may have originated in Germany but are now held throughout the world. Come help celebrate the 150th Anniversary of Holy Ghost Church with our mini German-style Christmas Market

We announced our Christmas Market a few months ago. Lots of planning and work have been done but now we need the help and support of parishioners to make this festival successful.

Traditional European markets have multiple sites throughout the town. They offer traditional foods, drinks, pastries, Christmas decorations and hand-crafted items for sale. Our market will offer similar stalls but on a smaller scale. You'll find:

- Indoor **and** outdoor market stalls
- **Traditional foods**, such as sausages, cabbage and noodles, German potato salad, soup and gluhwein
- **Home-made pantry and baked goods**
- **Kinder Korner** in the Newman Center for children 12 and under.
- **Tricky Trays** may not be found at European markets but we can't imagine our holiday market without them !!

We also plan to have a **Craft Stall** where you can purchase presents for your family and friends. This stall will also feature small, inexpensive, pre-made gift baskets – perfect for those people you want to remember at Christmas such as teachers, care givers, neighbors, etc. We will also have **fresh green wreaths** from a local tree farm.

Here's how **YOU** can help us to make our Market successful:

Make a cash donation. We will use your donation to make a Tricky Tray basket or to purchase a gift card. If you prefer, you can make your own Tricky Tray basket. **Cash donations are needed by October 31.** Baskets and gift cards must be received by November 7. We need time to purchase and decorate baskets and to prepare a printed brochure describing all Tricky Tray items. **No donation is too small.**

Share information about our Christmas Market with your family and friends. More information will be included in the next parish newsletter.
