

LENTEN PRAYER CROSS

*God, heavenly Father, hear my prayer during
this holy Season of Lent.*

During Lent 2020, we will once again place a large wooden cross in the sanctuary. It will have a purple cloth draped on it. Enclosed are small paper squares on which we urge every parishioner to write their special prayer requests or intentions. At Masses during Lent, we will pray for these intentions during the Prayers of the Faithful.

You may return your squares by dropping them in the collection basket, in the baskets near the church entrances or by mail to the parish office. These papers will be pinned to the cross. *Your prayer intentions are anonymous; please do not include your name on the paper squares.*

On Holy Thursday, the petitions will be taken down and placed in a bowl at the foot of the cross until Holy Saturday. The purple drape will be exchanged for a white cloth on Easter.

This Lent take a step closer to the Lord and participate in this very personal and special Lenten devotion.
